WHAT TO DO IN THE FIRST 16 WEEKS OF PREGNANCY

The CHM family is here to help you throughout your pregnancy. **If you're a CHM Gold member, call us at 800-791-6225 during your first 16 weeks of pregnancy.** When you call, select the maternity option to connect with our Maternity Care Team (MCT) and nurse navigator.

WHEN YOU CALL, WE WILL HELP YOU:

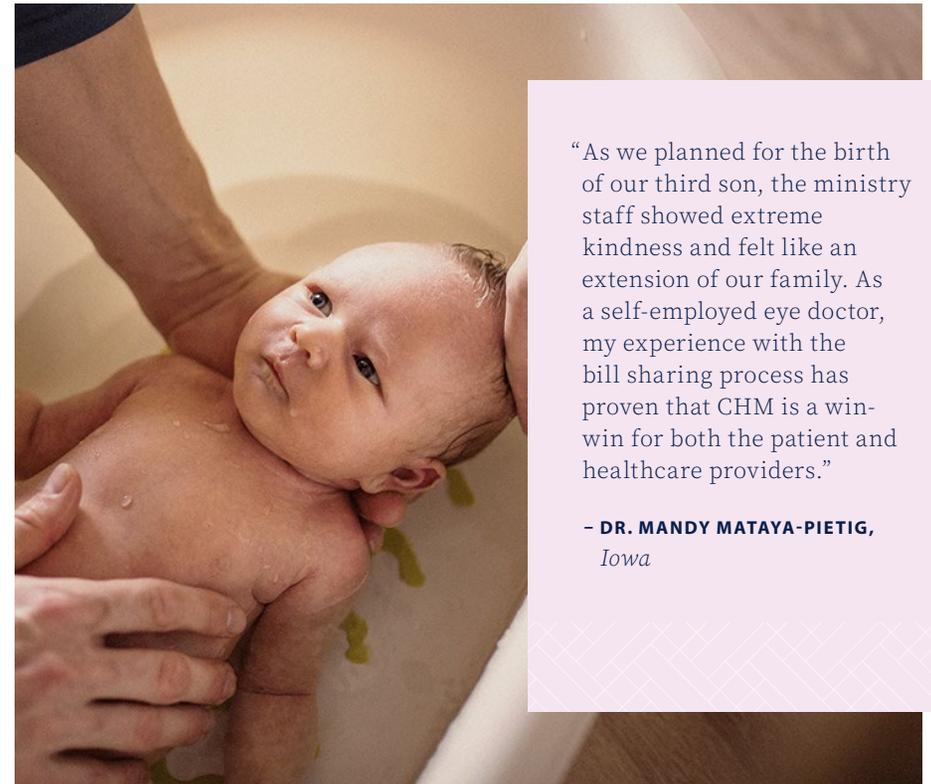

- 1 Save money on your Personal Responsibility.**
As a ministry, we work to steward our members' funds well. Eligible maternity expenses are shared after meeting a Personal Responsibility amount of \$1,500 per pregnancy. You can reduce this Personal Responsibility to \$1,000 by giving us a call within the first 16 weeks of your pregnancy.
- 2 Find the best quality maternity care in your area.**
We want you to have the best healthcare experience possible, and we'll help you locate your best options to achieve quality care.
- 3 Learn about bundled flat rates for your facility of choice.**
Facility-bundled flat rates can include the mother's hospital stay, the baby's hospital stay, and anesthesia charges—all in one packaged price. Our team can advise you on how to receive these bundled rates.

Who is the Maternity Care Team?

The Maternity Care Team (MCT) is a group of staff members who simplify the pregnancy journey for CHM members. Along with processing eligible medical bills, the MCT supports women spiritually through prayer and Scripture and provides guidance on program and health information that optimize clinical and financial outcomes.

***It all starts with one call:
800-791-6225***

“As we planned for the birth of our third son, the ministry staff showed extreme kindness and felt like an extension of our family. As a self-employed eye doctor, my experience with the bill sharing process has proven that CHM is a win-win for both the patient and healthcare providers.”

– DR. MANDY MATAYA-PIETIG,
Iowa

Navigate to a better experience

The healthcare system can be confusing, daunting, and, at times, frustrating. CHM partners with a nurse navigator who can provide our members with guidance through their pregnancies.

Our nurse navigator can alleviate your stress by:

- ✓ Finding you options for quality healthcare providers
- ✓ Helping you understand your options for childbirth
- ✓ Providing understanding of risks or health factors that may impact your pregnancy
- ✓ Helping you understand the results of lab tests
- ✓ Finding fact-based answers to your questions
- ✓ Connecting you to helpful resources

Call us at 800-791-6225

Frequently asked questions

HOW DO I KNOW CHM WILL TAKE CARE OF ME AND MY FAMILY?

Since 1981, CHM has shared 100% of eligible medical bills in accordance with the CHM Guidelines, a fact proven by independent financial audits, a first-in-the-nation independent accreditation from Demotech, a nationally-recognized financial stability ratings firm, and our Better Business Bureau accreditation.

DOES CHM SHARE FOR MIDWIVES AND/OR BIRTHING CENTERS?

CHM will share costs for legally practicing midwives and birthing centers.

Whether you are planning a hospital or out-of-hospital birth, you need to submit to the Member Portal a prepayment agreement from your medical provider. This prepayment agreement should include prenatal care, delivery of the baby, and postpartum and postnatal expenses. If there are any additional charges not included in the prepayment agreement, you'll submit these to CHM as "maternity add-on" bills.

Important note: CHM shares for either a midwife or a physician, not both.

WHAT CAN I EXPECT AFTER SUBMITTING MY MATERNITY INCIDENT?

Submit all necessary documents to the Member Portal to avoid sharing delays. Once CHM receives all the necessary paperwork, we'll review the bills according to CHM Guidelines. Once CHM issues your reimbursement check, promptly pay your healthcare provider.

Documents required for sharing include:

- Your prepayment agreement/global fee
- Medical Information Release and Patient Delegation Form
- Maternity Verification Form
- Itemized bills for services not included in your prepayment agreement

Important note: CHM will process your prepayment agreement near the 30th week of pregnancy. We ask that you plan on checks going out around that time.

Tips to make sure you qualify for maternity sharing

Plan to get pregnant after you join CHM

Pregnancy expenses cannot be shared if you didn't join at least 30 days before becoming pregnant. Make sure you're on CHM Gold, and consider adding CHM Plus for additional cost sharing support.

Stay on CHM Gold if you're ready to grow your family

Changing to CHM Silver or CHM Bronze will make all pregnancy bills ineligible.

Review the CHM Guidelines before and during your pregnancy

The CHM Guidelines contain further information about babies as CHM members; ineligible bills; adoption; congenital conditions; midwives; and more.

Submit medical bills early

Send in ahead of time as many prepayment agreements and bills as possible.

Notify the ministry when your child is born

The blessing of a new child is an exciting and busy time, but don't forget to notify CHM on this new addition.

“Thank you, CHM, for being great before we needed you and doubly great when we did need you. This is an impressive health cost sharing ministry that we love and highly recommend to others.”

– MICHELLE BROWN

Prayers for your unborn baby and pregnancy journey

We believe supporting one another spiritually is as important as the financial support you receive during your pregnancy journey. You're never alone. You can join our biblical community through social media and receive encouraging notes and prayers through our Prayers Unceasing program. Our CHM staff pray for members daily and are available to pray with you over the phone.

When you're pregnant, know that God is doing beautiful work within you, and your unborn child is a gift. Connect with God through prayer to grow closer to him as he knits this creation in you.

“Lord, each day You lovingly and faithfully craft and form this child in my womb, and You do so with purpose. Each soul has a purpose in life, and I pray that You use this child to grow my relationship with You. As we walk this journey together—You and I as Creator and creation—will You prepare my heart to be a parent worthy of the honor of knowing and raising my child? Will You help me show this little one the fullness of Your love and kindness? God, I lay in Your hands this gift You've given me, and I ask that You work in me today and every day forward, even as You're working in the life of my baby, so that we may know You in a deeper way. Amen.”

“So thankful for the kind and thoughtful staff who encouraged me as I submitted bills and navigated pregnancy complications. I love being a part of the CHM family!”

– ANNA JOHNSON

HOW DOES CHM STAND OUT?

CHM puts you in a spiritual covenant relationship, not a contractual obligation, with your fellow Christians. **We operate differently—by intention!**

Covenants are found throughout the Bible. As a health cost-sharing ministry, not insurance, we use terms that reflect our mission. These terms further demonstrate how we’re able to minister to the body of Christ more effectively.

WHY DO WE INCLUDE LEGAL NOTICES AS PART OF THIS PACKET?

We uphold, and exceed, standards of integrity and consumer protection because we value you. That’s why we’ve made it a priority to accommodate those states who have requested the inclusion of specific notices about CHM’s health cost sharing status. It’s just one more way that we showcase transparency. The following legal page reiterates CHM’s ministry focus and does so in the way that some states have requested.
